

# Chapter #079 Annual Seminar

## School Security

Friday, May 18, 2018

The Central Pennsylvania Chapter of ASIS International would like to invite you to attend our education events!

ASIS International is a global community of more than 38,000 security practitioners, each of whom has a role in the protection of assets, people, property, and/or information.

Our members represent virtually every industry in the public and private sectors, and organizations of all sizes. From entry-level managers to CSOs to CEOs, from security veterans to consultants and those transitioning from law enforcement or the military, the ASIS community is global and diverse.

No other organization possesses the vast array of knowledge, expertise, and experience. Our local chapter membership includes approximately 200 professionals from the Central Pennsylvania security community.

### Location:

Purcell Friendship Hall  
109 McCorkle Rd.  
Hershey, PA 17033

**This Event is for  
School Administrators,  
Law Enforcement  
and Security Personnel**

**Exhibitors and Vendors  
Welcome**

New Security Technologies: Can they all Make Your Schools Safer?

There are endless companies selling technology promising to keep schools safe. How do school districts select the right technology for them? The presentation takes a look at the critical evaluation steps you should deploy to determine if the proposed solution is the right solution to meet the school's needs.

- Bernard D. Gollotti, CPP, LARGO Consulting Services, LLC
